

# Energetic Leaders Mentorship & Workshops

Learn how to prompt your soul and use your full potential in an ever-changing world

## Intuition is your superpower Time to use it as an individual and a team

The future we are facing presents consequences we have not understood or been taught about. To navigate successfully, we must **widen our awareness and consciousness, learn, and relearn essential skills** to release our full potential.

### Learn Energetic Leadership

#### 1:1 Mentorship

#### Workshops for groups or teams

Online or in person. Book included.

- By exploring **9 future trends**, you will discover **Energetic Leadership** and why it is important for you and your business.
- You will learn how to **lead yourself** energetically and **develop your organisation** using the Energetic Leadership Model.
- **Your team will become unstoppable** and never want to go back to old leadership habits.

Using my intuitive and visionary insight and background in corporate businesses, I am here to guide you to steer through your transition – I walk the walk myself.

*“Gitte has been a surprise in many ways. Really good for the coupling between the slow being and concrete, targeted advice.”*
